

## Course 3 Fire Warden Training

Our courses are run by an experienced fire trainer held at either your own premises or at one of Firelines training venues. The course duration is 3 and a half hours and includes a practical demonstration.

### Key content:

- Fire safety law legislation
- Fire certificates
- Fire risk assessments
- Fire Warden duties and responsibilities
- Human behaviour
- Breaches of legislation
- Classifications of fire
- Triangle of fire
- How fire spreads and causes of fire
- Evacuation procedures
- Fire extinguisher types and health & safety

If you would like our trainer to use a live fire during the practical demonstration this can be arranged at an additional cost and subject to availability

### Other courses available:

- Basic Fire Awareness Training
  - Basic Plus Fire Training
  - Competent Person Training
- Please ask our Office for details
