

Course 1 Basic Fire Awareness Training

Our courses are run by an experienced fire trainer held at either your own premises or at one of Firelines training venues. The course duration is 30-45 minutes and includes a practical demonstration.

Key content:

- Phenomenon of fire
- Sounding of the fire alarm and evacuation procedure
- Means of escape; adapted to your premises
- Do's and don'ts in the event of fire
- Health & safety of fire extinguisher use
- Use of portable fire extinguishers and blankets
- Hands on practical demonstration

If you would like our trainer to use a live fire during the practical demonstration this can be arranged at an additional cost and subject to availability

Other courses available:

- Basic Plus Fire Training
 - Fire Warden Training
 - Competent Person Training
- Please ask our Office for details
