

Course 2 Basic Plus Fire Training

Our courses are run by an experienced fire trainer held at either your own premises or at one of Firelines training venues. The course duration is 2 hours and includes a practical demonstration.

Key content:

- Fire safety law and legislation
- Fire risk assessments
- Triangle of fire
- Classifications of fire
- How fire spreads and the causes of fire
- The importance of fire doors
- Human behaviour
- Evacuation procedures
- Fire extinguisher types and safe user operation
- Practical session
- Feedback and Q&A

If you would like our trainer to use a live fire during the practical demonstration this can be arranged at an additional cost and subject to availability

Other courses available:

- Basic Fire Awareness Training
 - Fire Warden Training
 - Competent Person Training
- Please ask our Office for details
